FROM	Chief of Base, Berlin	DATE 21 January 1960	
SUBJECT	Operational/CADORY DTLINEN/Termination Report Information Required by Headquarters	RE: "43-3" - (CHECK "X" ONE) <input type="checkbox"/> MARKED FOR INDEXING <input checked="" type="checkbox"/> NO INDEXING REQUIRED	
ACTION REQUIRED	Hqs advice per paragraph 2	INDEXING CAN BE JUDGED BY QUALIFIED HQ. DESK ONLY	

REFERENCE(S)

1. The DTLINEN organization will be extinguished as a legal entity in March 1960, and our various operating and financial commitments, etc., will also be extinguished by that time, excluding unforeseeable future contingencies.

2. In compiling during the past several years termination reports on other CADORY projects, BOB has not been clear on exactly what information headquarters specifically requires in field termination reports on CADORY projects, and has often included general data already available to headquarters or information which headquarters is in a much better position to compile than the field, particularly given BOB's file retirement program. In view of the long and complicated history of the DTLINEN project and work pressures in the field, we desire to avoid tedious compilation of information other than that specifically required and which can only be compiled by the field, or which the field is in a better position to compile than the headquarters desk. Consequently, advice on the specific data desired to be included in BOB's termination report on DTLINEN (and also BOB's termination reports at a later date on LCCASSOCK and [] is requested.
